ATTN : Chief, Intelligence Information Staff, ORR  
THRU : Chief, Industrial Division, ORR *2/2*  
Acting Chief, Consumer Industries Branch

*provided*

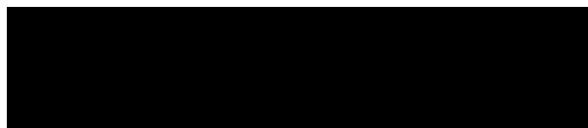

Requirements Requested by FI/RQM/RE/E

Ref : Memorandum of 12 June 1957, E-57-124

1. Describe "Movil" within the framework of the following questions.
  - a. What specific type of synthetic fiber is "Movil"?
  - b. What are the principal raw materials needed for production?
  - c. What are the chief uses of "Movil" and what are its special properties?
  - d. Can it be combined with cotton or wool fiber in the production of fabric?
2. Hungary intends to develop its synthetic fiber industry.
  - a. Does Hungary intend to produce "Movil"? If so, when could production begin?
  - b. Does Hungary have the plant capacity and technical knowledge to produce "Movil"? If not, would the necessary equipment and technical assistance be obtained from the West?
  - c. Do any other Soviet Bloc countries intend to produce "Movil"? If so, which countries?
3. For inquiries about this requirement, please call  x8376.
